

CENTER FOR GERONTOLOGY 16TH ANNUAL CELEBRATION

APRIL 11, 2012

7:00 pm-9:00 pm

(reception to follow)

FRALIN AUDITORIUM

Keynote Speaker:

Dr. Keith E. Whitfield

Duke University

Vice Provost for Academic Affairs

Professor of Psychology and Neuroscience

Research Professor Department of Geriatric

Medicine at Duke University Medical Center

*Lessons my
father taught me
about aging*

Dr. Whitfield will discuss topics on aging made relevant from his interactions with his father. These topics include cognitive functioning, lifestyle, perception, health behaviors, and end of life care.
